Property	Test Method <i>(if known)</i>	Part A: <i>Mfg + Tradename</i>	Part B: <i>Mfg + Tradename</i>

5. LIST THE CURE SCHEDULE

Cure Temperature (+/- 5°C)	Cure Time  (Hrs)	Qualification Test 	Conformance Test 

6. LIST THE FINAL PROPERTIES OF THE MATERIAL *Include both uncured and cured.*

Uncured Properties				
Property (Units) @ Condition	Test Method ?	Requirement ?	Qualification Test ?	Conformance Test ?
Viscosity				

Cured Properties				
Property (Units) @ Condition	Test Method ?	Requirement ?	Qualification Test ?	Conformance Test ?
Tg				
Hardness				

7. LIST LABELING REQUIREMENTS

Label Field List	Product Labels (Maximum 22 characters for each)
Customer Name	
PO	
Item Description 1	
Item Description 2	
Customer Part Number	
Specification Number 1	
Specification Number 2	
2D Barcode Info Required	
Quick Product ID Stripe (color)	

8. OTHER COMMENTS
